Don't stop till we get enough  
You's a pretty young thing and I'm dangerous  
Don't matter if you're black or white  
Gotta come together working day and night  
So get get get on the floor, we invincible  
We unbreakable yeah  
Don't stop till the break of dawn  
I wanna rock with you so get off the wall

Even though the king is gone, the beat goes on and on  
That's right  
Even though the king is gone, the beat goes on and on  
Come on come on  
Right now the king is gone but the beat goes on and on Lemme hear you say  
Even though the king is gone the beat goes on and on

Dance all night  
Lose your mind  
One more time  
Even though the king is gone  
Dance all night  
Lose your mind  
One more time  
The beat goes on and on yeah  
Dance all night (though the king is gone)  
Lose your mind (the beat goes on)  
One more time  
Even though the king is gone  
Dance all night (though the king is gone)  
Lose your mind (the beat goes on)  
One more time  
The beat goes on and on yeah

Even though the king is gone, the beat goes on and on (come on sing it with me)  
Even though the king is gone, the beat goes on and on (a little louder)  
Even though the king is gone, the beat goes on and on (I can't hear ya)  
Even though the king is gone, the beat goes on and on

(You plant a seed and it grows into something beautiful and it never dies really. I think people should be that way)
