

# Party In Your Bedroom

Cash Cash

There's a party in your bedroom all night long  
There's a party in your bedroom all night long  
There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone

There's a party in your bedroom all night long  
There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone  
Lips sealed tight don't say goodnight

Walking down the street  
Keepin' hush hush on the scene  
No one knows you  
Such a mystery  
Opposite of fun 'til you turn the power on  
Then you come out turning up the heat

Upstairs all alone  
One click for a show  
Your roof is on fire  
You're losing control

There's a party in your bedroom all night long  
There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone  
Lips sealed tight don't say goodnight

Dancing with your hands  
Turning strangers into friends  
Touch the keys, please  
And unlock my heart  
You're free to be a freak  
Change your picture every week  
Show the camera you're a super star

Upstairs all alone  
One click for a show  
Your roof is on fire  
You're losing control

There's a party in your bedroom all night long  
There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone

There's a party in your bedroom all night long

There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone  
Lips sealed tight don't say goodnight

It's no debate  
When I think of you  
Can't stay on track  
'Cause I can't wait  
Can't stay on track  
Can't hide the fact  
You're all I want  
You're all I need  
Let's get this party started  
Kick it hard just you and me

There's a party in your bedroom all night long  
There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone

There's a party in your bedroom all night long  
There's a lot of talk about you  
'Cause there's a party in your bedroom all night long  
Pretty girl  
It's a show  
Let it go when you're alone  
Lips sealed tight don't say goodnight
