

# Victim Of Love

Cash Cash

I'm just victim trying to set myself free  
But it's so hard to see you ain't right for me  
My friends all hate you but I still disagree  
The way you dance on me it makes it hard to see it  
Is me loving you such a crime  
You keep my blood rushing all of the time

I'm going out of my mind  
I'm a victim of love  
Got me tied up in knots  
Someone please call the cops  
I said I can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love

I'm going out of my mind  
'Cause I can't shake your love  
My heart got lost in your sheets  
Bumping hard to the beat  
I said I can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love

You always kick me when I'm down on my knees  
'Cause girl you're cold as ice  
Should've took my moms advice  
My friends all tell me you've been cheating on me  
but it's so hard to see, you're no good for me  
Is me loving you such a crime  
You keep my blood rushing all of the time

I'm going out of my mind  
I'm a victim of love  
Got me tied up in knots  
Someone please call the cops  
I said I can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love

I'm going out of my mind  
'Cause I can't shake your love  
My heart got lost in your sheets  
Bumping hard to the beat  
I said I can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love

I can't believe I've been wasting my time  
I think the sex must have made me go blind

Come on, come on, come on  
I can't shake this  
Come on, come on, come on  
A little help now  
Come on, come on, come on  
A victim of love

I'm going out of my mind  
I'm a victim of love  
Got me tied up in knots  
Someone please call the cops  
I said I can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love

I'm going out of my mind  
'Cause I can't shake your love  
My heart got lost in your sheets  
Bumping hard to the beat  
I said I can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love

Victim of love  
Of your love  
Yeah  
I just can't walk away  
'Cause I can't get enough  
I'm just a tied down, bruised up, victim of love
