

# Quit

Cashmere Cat

And you say that i'm the devil you know,  
And I don't disagree, no  
No, I don't see the harm  
They say: "You're crazy, just leave him he'll suffocate you,"  
But I wanna be in your arms

They say: "No, don't pick up the phone, let them think there's nobody home."  
But I'm under your spell  
'Cause when you call my heart starts to roll I always want more  
It's my heaven, my hell

We're heading deep inside lives a voice, a voice so quiet  
But I can't hear that voice when your heart beats next to mine

I can't quit you  
I can't quit you  
I can't quit you  
I can't quit you  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
I know I'm gonna regret it

When you said: "Baby I just want you to lay me down and we'll fuck the pain away"  
'Cause skin to skin I feel nothing but the burning of desire and that's just foreplay

We're heading deep inside lives a voice, a voice so quiet  
But I can't hear that voice when your heart beats next to mine

I can't quit you  
I can't quit you  
I can't quit you  
I can't quit you  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
I know I'm gonna regret it

I can't quit you  
I can't quit you, oh baby  
I can't quit you  
I can't quit you, oh babe  
Gonna regret it  
I'm gonna regret it  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
I'm gonna regret it  
Gonna regret it  
Yeah, I'm gonna regret it
