

# Matte Grey Wrap

CASisDEAD

Gas pedal stuck to my slider  
Slidin' about in that Spider  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer  
Take her top off like Sylar  
Didn't bank on the rank "outsider"  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer

No diesel except in a grinder  
Racing seats same colour as Slimer  
The promoter on the phone excited  
Said she can put the powder on our rider  
Which groupie I'm indecisive  
Greedy, I want the whole cake not slices  
Nights in Knightsbridge  
We don't check prices  
Pull up outside in that midlife crisis  
Left him at the lights all lifeless  
Lift off like I had nitrous  
New set of tyres 'bout a bag five  
The look on his face, priceless  
On the strip swerving a cyclist  
Spitting two words to this bird from Cyprus  
Stopped off at the off licence  
'Cause my nigga just off licence  
Made a fortune and still no ice  
I'm collecting cheques and connecting flights  
Bullshitters I despise, always broke niggas giving financial advice  
I don't need your tips I'm nice  
Yeah I just bought the wife new tits, they look nice  
Saw the receipt, I said yikes  
Well you know, you buy cheap you buy it twice

Gas pedal stuck to my slider  
Slidin' about in that Spider  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer  
Take her top off like Sylar  
Didn't bank on the rank "outsider"  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer

Everywhere that you go, I'll be there too  
Water on the glass now, taking in the view  
Racing all the red lights, it's just me and you  
Running out of time boy, what you wanna do?

The last drop in a glass, is gone too fast  
Now lean on the gas, cause nothing can last  
No, nothing can last

Gas pedal stuck to my slider  
Slidin' about in that Spider  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer  
Take her top off like Sylar

Didn't bank on the rank "outsider"  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer

Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer  
Take her top off like Sylar  
Didn't bank on the rank "outsider"  
Matte grey wrap, yeah, matte grey wrap  
Like I'm riding around in the primer

Everywhere that you go, I'll be there too  
Water on the glass now, taking in the view
