

# Walkin'

CASisDEAD

Uh, yeah  
CAS  
Merch, yeah

Wandering in the rain (Uh), aimless  
Looking like a zombie (Yeah), brainless  
Bottle in my right hand (Uh), shameless  
Alcohol makes life feel painless (Uh)  
I'm just tryna be rich not famous (Uh)  
So I fill Tupperware containers (Yeah)  
But the Feds got me under surveillance so I need to make up a new alias  
I ain't gonna be up on the A-list (Nah)  
Kiss won't put me on the playlist (Uh)  
Still collecting dough like the bailiffs (Uh)  
Just cash doe no card payments (Ha-h)  
Spent most of my life on the pavements (Uh)  
I sold my soul, any arrangement  
Cash up front, and in daily  
Now it seems that, I'm just-

Walking, walking in the rain (Uh)  
Just walking in the rain, dumb  
Must have water on the brain, numb  
Like I took a hit to the vein, done  
I threw shit down the drain

My bird left me, 'cause I'm a bastard  
It was love but, it never lasted (Ha-h)  
Thank vodka, I'm getting past it (Ye')  
Twenty-five now, I feel past it (Ye')  
I do five bottles, I'm getting plastered  
I do five blunts, I'm getting blasted (Pft)  
'Round 'ere, I probably get blasted (Ha-h)  
I left the vest off, I thought I'd chance it  
I feel like a walking target  
'Cause I got the best food on the market  
See the Cids watching, when I park it  
Cats snitching, tryna dark it  
See this face, they wanna mark it  
Yeah, he's got a strap, he won't bark it (Nah)  
So why does he act, like the 'ardest? (Slag)  
He's an actor, and I'm-

Walking, walking in the rain  
Just walking in the rain, dumb  
Must have water on the brain, numb (Yeah)  
Like I took a hit to the vein, done  
I threw shit down the drain (Yeah)

Yeah I'm still going, no direction  
Where am I going? Good question  
Yeah, I'm wanted (Yeah), in connection  
To the robbery, and deception (Uh)  
I should be avoiding detention (Yeah)  
Can tell I don't care from my expressions  
Its a look of pure dejection  
I didn't bother with no protection (Nah)

Life has such a dark complexion (Yeah)  
Money is the cause of the infection  
Some criminals, go corrections (Uh)  
Other criminals: win elections (Uh)  
I get a sharp pain in my mid-section (Yeah)  
It's there everyday, no exceptions (Yeah)  
See mum knew before my inception (Yeah)  
So why didn't she stop my-?

Walking, walking in the rain  
Just walking in the rain, dumb  
Must have water on the brain, numb  
Like I took a hit to the vein, done  
I threw shit down the drain  
Just walking in the rain, dumb  
Must have water on the brain, numb  
Like I took a hit to the vein, done  
I threw shit down the drain
