Closure

Caskets

I thought we were running together
I thought we were running the show
I'll give it a minute
But I won't be innocent, no
Let go before we lose control

I thought we could make it together
But you had a plan of your own
Take everything for yourself
As I'm bleeding, so go
You never ever make me want to feel at all, no

Wait
Won't you stop me at all?
I wonder whether we're both to blame
Won't you stop this at all
Before it gets too late

But wait
Won't you stop me from falling?
Won't you stop me from falling down?
In this web of lies
You spin
You spin

Why don't you give me closure
You take and you take and you take
We dream of a life, now over
Will you ever listen to me
Maybe it's now or never
So take it all away

Wait
Won't you stop me at all?
I wonder whether we're both to blame
Won't you stop this at all
Before it gets too late
Won't you stop me at all?
I wonder whether we're both to blame
Won't you stop me at all?
I think that maybe we're both to blame

Won't you stop me at all?
I wonder whether we're both to blame
Won't you stop me at all?
I think that maybe we're too late
