Pull up in the car with a new bitch in it Circle 'round the block, now I got two bitch in it Never runnin' out because my juice infinite I'm just out here tryna bust a move Time and time and time again (woo, yeah) New wrist piece, I put the diamonds in it (woo, diamonds) In my bag and out the way (ooh) That's where you could find the kid (ooh) And I pour up the drink (yeah, I did) I'm too lit, I can't think Diamonds water, out the kitchen, I brought the sink (woo) Collars blue, I switched it up and now it's pink Chop, chop, chop by my style, I mix it up the way they can't that bitch, you don't need her Jump in the car, two seater What's on my waist? Dog, that's a heater Close to the act', I'm still a leader You in the back, tryna get even Dog, I don't wanna get even You on a race to the money And I ain't no more 'cause I already beat it Pull up in the car with a new bitch in it Circle 'round the block, now I got two bitch in it Never runnin' out because my juice infinite I'm just out here tryna bust a move Time and time again (time again) New wrist piece, I bought the diamonds in it (diamonds in it) In my bag and out the way (out the way) That's where you could find the kid (find the kid, uh) Time and time and time again (woo) I just want some finer shit (woo) In my bag and out the way (woo) That's where you could find the kid (woo) I feel like I'm Bishop, got the juice In the foreign, had to switch Two of my bitches at the same party Now I'm tryna make 'em kiss She was Told her I just the want the lip (bitch) Dropped the top off to my roof Just so she could catch my drift (drift, yeah) Now I'm feelin' ruthless, I'm with the I feel like Jay Z, I got the blueprin t (print) Feel like the people that talkin' the most the ones who don't do shit Lately I stay with the drum so much, I'm feelin' like Q-Tip Pull up in the car with a new bitch in it Circle 'round the block, now I got two bitch in it Never runnin' out because my juice infinite I'm just out here tryna bust a move

Time and time again (time again)

New wrist piece, I bought the diamonds in it (diamonds in it)

In my bag and out the way (yeah)
That's where you could find the kid (yee)
Time and time and time again (woo)
I just want some finer shit (woo)
In my bag and out the way (ooh)
That's where you could find the kid (woo)
