

## Butterfly Energy

Caskey

I don't wanna wait, for the right time, to do this  
I don't wanna wait, for the slightest, improvements, yeah, yeah

It's like a rebirth how you drive me out my mind  
I can't recognize this life, should I say something?  
Fell asleep with only chills to touch my spine  
But I woke up with wings

Girl, you got that butterfly energy  
Wings spread, floatin'  
Got that butterfly energy  
Wasted, hopeless  
Got that butterfly energy  
Wings spread, you're all that I see mentally (floatin')  
Butterfly energy  
Wasted, you're all that I see mentally

I don't wanna wait, for the right time, to do this  
I don't wanna wait, for the right time, to do this

I could be invasive, 'cause you're something that I can't leave  
I could be impatient, 'cause I wear my heart on my sleeve  
Meet me at the basement, so I could truly know  
If this is what the chase is, in time, you'll surely show

Girl, you got that butterfly energy  
Wings spread, floatin'  
Got that butterfly energy  
Wasted, hopeless  
Got that butterfly energy  
Wings spread, you're all that I see mentally (floatin')  
Butterfly energy  
Wasted, you're all that I see mentally

I don't wanna wait, for the right time, to do this  
I don't wanna wait, for the slightest, improvements, yeah, yeah
