

## Cage Fighting Yourself

Caskey

I got some time and it's goin' to waste  
'Peal got declined and that's always the case  
Read through the lines, see that I'm not okay  
Not okay-ay

I got some time and it's goin' to waste  
When I was nine, saw too much for my age  
They say I'll be fine, but I'd be lyin' if I said  
I'm okay-ay-ay

She likes to tell me what to do, and I don't like that  
All I wanna do, spend the night back  
Hollerin' at the moon, 'cause it ain't like that  
Locked inside this room, I just wanna see the outside  
Wanna see the outside

I got some time and it's goin' to waste  
Caught me with nines, said that I wasn't safe  
But I was just tryin' to put a little food  
On the pla-a-ate

I got some time and it's goin' to waste  
When I'll decline is gettin' harder to trace  
I lost my mind somewhere  
Inside this pla-a-ace

They like to tell me what to do, and I don't like that  
All I wanna do, is spend the night back  
Hollerin' at the moon, 'cause it ain't like that  
Locked inside this room, I just wanna see the outside (outside)  
Just wanna see the outside (outside)  
Wanna see the outside  
I just wanna see the outside
