If both us still got good reception  
Why I feel so disconnected?

From you?

From me?

If both us still got good reception  
Why I feel so disconnected?

From you?

From me?

You know I want you, ayy  
Seem like you lose sight of me, your eyes closed  
You know it's fireworks when I touch your skin, it's a light show  
Seem like you want me to give up and lie low  
You struck a chord with me and it's fortunately a high note  
Oh, what's love got to do with it?  
I'm so new to it, I'm not used to it  
You be playin' them games and it's obvious that I feel for you  
You know I want you, babe, and it's honestly not the same  
I want you, ayy
