Constantine

Caskey

Ain't got your life together, what could you offer me?
I got so many blessings, can't get 'em off of me
I got so many haters, they're tryna talk with me
I'm just a image of what you could be, possibly
I got my money on the main line, constantly
I'm in the bank so much, they should come sponsor me
Tryna get the evil off me like Constantine
Bringin' two worlds together like apostrophe
I be, with the juice so much, no IV
Shootin' up the movie scene, that's widescreen
Washin' up the dirty money, no hygiene
I be, starin' in a broken mirror, tryna find me
Puttin' in the work when everyone reclinin'
Now I'm the one you gotta watch, perfect timin'
