Caskey

I'm doin' numbers

Ayy, I'm doin' numbers, I'm gettin' litty  
I'm high as fuck, ridin' solo in the city, hey  
I'm turnin' heads, hey, tats all on my body, hey hey  
Love myself, hey, I don't need nobody, yeah yeah

Ayy, I'm doin' numbers  
I'm doin' numbers  
Ayy, I'm doin' numbers  
Trap for the summer

Body count, bank account, bitch amount, numbers  
I was postin' five dollar ads last summer  
Now it's paid shows, makin' bands, no drama  
Yeah, I'ma call my gutter, man  
Ridin' with my glizzy, yeah, I get busy, yeah  
Heard you home for the holidays, I'ma visit, yeah  
What you think a nigga do? It's like I don't hang with shooters  
I ain't like the way he movin', I told Pablo to shoot him, yeah  
I'm doin' numbers, mathematics  
We makin' thunderstorms, don't want no static  
She wanna kick it, Crystal Palace  
Two bitches, both sides, call it balance

I'm doin' numbers, I'm gettin' litty  
I'm high as fuck, ridin' solo in the city, hey  
I'm turnin' heads, hey, tats all on my body, hey hey  
Love myself, hey, I don't need nobody, yeah yeah

Ayy, I'm doin' numbers  
I'm doin' numbers  
Ayy, I'm doin' numbers  
Trap for the summer

Too turnt up, yeah, die 'bout my respect  
My whole clique burnt up, yeah, doors up in the jet  
I got a mission to find it, yeah, I ain't ever get tired yet  
I've been supplyin' a variety of place, don't know why I want sobriety yet  
I'm mixin' toxins, I'm drunk and boxin', turned up in Austin  
Just flew out to NYC, I am not milly rockin'  
Some hoe tryna fuck with me, said she won't tell nobody  
Hey, she's just a thotty, I hit the pussy, I'm catchin' a body  
I'm in the six, look like a brick, she in her feels, I'm on the molly  
I'm in the hotel, smokin' up in the suite, then in the lobby, yeah  
Dropped out of college, I'm hooked on chronic  
My racks so honest, get rich for momma

Ayy, I'm doin' numbers, I'm gettin' litty  
I'm high as fuck, ridin' solo in the city, hey  
I'm turnin' heads, hey, tats all on my body, hey hey  
Love myself, hey, I don't need nobody, yeah yeah

Ayy, I'm doin' numbers  
I'm doin' numbers  
Ayy, I'm doin' numbers  
Trap for the summer
