Ain't nothin' like voice in your stereo

I'm recognized here to Montreal  
Trying to make this shit world wide  
That's a lot of weight to carry though  
Working out these quadriceps with these broads of sex but no Mary though  
I mean who done told you bout this?  
My accolades countless  
I blow two to three ounces  
Ain't got a stationary so, go place you don't dare to go (dare to go)

Hit the Westside man it's like there he go

Ok I'm here now, ya I'm here now, I tell my homies nothin' they should fear  
now  
Ok I'm here now

Bank accounts ain't everything but we got that  
Bad hoes ain't everything but we got that  
Zip locks ain't everything but we got that  
Crabs try to take everything and we not that, cock back

Ya, okay look you don't know my story, quit with the dialogue  
Go and buy a dark of that pusha shit tha'chu doin' man we ain't got time at

I'm behind it all and my hindsight pay no mind to those hatin' on the low  
Bitch I parlay with all the pros, you was archaic, all yo flows, got no styl

And as much I try to bump yo shit all my dogs hate being lied to  
We evolve like Raichu from the stones that we ride to and we ain't got time  
for you
