

# Jonah Hill

Caskey

[Chorus]

Gotta shake hands, or it's no deal  
It get lonely at the top, so I hold still  
Now you gotta pay to talk, like the phone bill  
My bitch super bad, feel that Jonah Hill  
Got that juice on me, and it's gon' peel  
You can't do no dirt with strangers 'cause they gon' squeal  
Told lil shorty that the money callin', hold still  
Dropped the weight off, feel like Jonah Hill

They be wishin' on my downfall like a shootin' star  
Instead, I shot the scene and went way past they expectations  
Now my passport full of decorations

Ain't gon' put me in a box, too many occupations

So much fake shit in LA that I ain't used to this  
You better say your prayers and ice out your crucifix  
Bitch, I'm a wolf, of Wall Street  
Got too f\*cked up on the quaaludes, lost my car keys  
Drink inside the baby bottle with no car seat  
All these bunnies at the mansion, Playboi Carti, uh

Tryna catch a contact

You can't do no dirt with strangers 'cause they gon' squeal  
Told lil shorty that the money callin', hold still  
Dropped the weight off, feel like Jonah Hill
