

# Not so Petty

Caskey

And I can't forget where I came from  
And I can't forget where I came from  
And I can't forget where I came from  
And I can't forget where I came from

Yeah, shout out to Winter Springs  
Almost shot somebody when I was seventeen  
Thank God that I didn't 'cause I came up out the city, started bigger things  
Pimpin' and Pablo was in the car, they know I've been through things  
Me and music, we just got a chemistry  
First time that I made a song, knew that was the remedy  
Some my homies ain't make it too long, they stayed for a bone  
You know the story, jealousy, people just hate when you on

I don't need a lot, just put me in the Chevy  
One on my waist 'cause I'm always ready  
Y'all should get rich so you're not so petty  
People hate most when they ain't got fetty  
Y'all should get rich so you're not so petty  
People hate most when they ain't got fetty

Shout out to never goin' broke, you broke bitch  
I spent your rent check on my whole fit, yeah  
Shout out my pops 'cause you made a monster  
People prayed on my downfall, I stayed and prospered  
Kinda made it awkward  
'Magine if I upgrade to a helicopter  
You get shit on enough, start to do the shittin'  
Only time they richer than me when I'm reminiscin'  
Now it's two different songs, that's one hell of an intermission  
That's what you get from hard work and intuition  
Could say it's luck when I was ready and in position  
Now the doors pitchin' northside  
And bottle service girls runnin' liquor like prohibition  
Rappers in my city tryna join the coalition  
Ever since Bird was in need of a ridin' number  
And the Honda Civic was the car my tires under  
Homie, I ain't never been a fo' minute mile runner  
But the depth of these words go for a mile under

And I can't forget where I came from  
And I can't forget where I came from  
And I can't forget where I came from  
And I can't forget where I came from

I don't need a lot, just put me in the Chevy  
One on my waist 'cause I'm always ready  
Y'all should get rich so you're not so petty  
People hate most when they ain't got fetty  
Y'all should get rich so you're not so petty  
People hate most when they ain't got fetty
