

## Outrageous

Caskey

Ayy, bitch, I got a ghost at the crib, but the crib ain't haunted

Tryna dodge IRS audits  
Foreign whip, she don't know what to call it  
VVS, you could tell I've been ballin'  
It's kinda outrageous  
I'm sellin' out stages  
In LA like I played for the Lakers  
Freed my dog, we just got him off papers

You could tell I get the bag 'cause my whip real fast  
You could tell I ain't mad 'cause my bitch real bad  
You could tell I get cash 'cause it's always gas  
Yeah, I came here first, I'ma be here last

Bitch, I ain't new to this shit, nah, I'm a vet, yeah  
Nineteen, Bird put me on the jet, yeah  
I done been on BET, that's a bet, yeah  
ATL, me and Thug blew a check, yeah

I don't know why they don't give me more respect, yeah  
I guess they see me as a threat, yeah  
In the hellcat 'cause I raise hell  
Lost friends but I can't tell
