

## So So Def

Caskey

Yeah, Pimp, ayy  
I got Mikey with me, fasho

I give a fuck what that nigga be sayin', ugh, ayy  
I give a fuck what that nigga be sayin', ugh, ayy  
I give a fuck what that nigga be sayin', ugh, ayy  
I give a fuck what that nigga be sayin', ayy, ugh

I give a fuck what that nigga be sayin'  
He mad I came up at a fast pace  
So So Def 'bout a dollar, he say money talk  
I can hear what the cash say  
I like no standin' 'cause I gotta get it  
I ain't in a race for the last place  
I'm on the front skreet, from the back skreet  
Came a long way from Backpage

Ten thousand dollars into my account  
How could I think it's a bad day?  
Homie want problems, he thought it was smoke  
And now he just up in an ashtray  
Rappin' done made me a mill, but they wanna peel  
I'll still send 'em that way  
I made a check off of blues  
Before I was verified on my ad page

I pulled a brown bitch, profound bitch  
Same color as cinnamon  
She like the way that I say all my words  
My metaphors and my synonyms  
She like to fuck with that nigga  
You know he be thuggin' and fuckin' with Pimp and them  
If you was smart, you'd play your part  
Baby, come fuck with these dividends

If you was smart, you'd stay out my business  
And upgrade the crib that you livin' in  
Rappers, they sneak-dissin', that's peak bitchin'  
They be actin' so feminine  
I'ma get me a beat off of Gwalla  
Before I go get one from Timbaland  
I put a lot of rappers in they feelings  
When I said I'm better than Eminem

I put a lot of bitches in they feelings  
When I said I'm better than him and him  
I took a lot of bitches from a simp  
And now he ain't never gon' pimp again  
I'ma fit the bitch strong  
Yeah, the bitch fuckin' wit' many men  
I'ma get rich, I'ma die tryin'  
Now fifty bitches gon' strip again

I give a fuck what that nigga be sayin', ugh, ayy  
I give a fuck what that nigga be sayin', ugh, ayy  
I give a fuck what that nigga be sayin', ugh, ayy  
I give a fuck what that nigga be sayin', ayy, ugh
