

# Yesterday

Caskey

I don't like to lose I don't come in second place (Yeah)  
Different city swapping I hop out and never stay (Yeah)  
So much animosity I call it SMA (Yeah)  
Made some more today like I lost it yesterday

Man that bag is too consistent  
I need every dollar that come in  
We don't do commission  
Swapped into a new position  
I stepped out was fresh as God  
But wasn't rocking True Religion  
Thought I was a Mason there's so many Margiela's  
I ain't sippin' on Modelo's  
I like the parties where there isn't no fellas  
And it's bigger than Coachella  
You gotta say yes to the bag  
What is you stalling for dog you should know better  
Monopoly I don't gotta collect \$200 to say I'ma "Go-Getta"  
I put my life on pause  
Just to play the game of raising the bars  
Get in their ear like you was a Q-Tip when they hate where you are  
S on my chest even when I'm touching the sky I still reach for the stars  
Ain't from this planet I came down from Mars  
Wait 'till you listen to J.A.W.S  
I got a whole lotta time 'for I peak  
Spike in my money I'm leaving 'em spiteful  
I'm falling off? What you talking bout geek  
Homie just mad he was peaking in high school  
Ain't even spit me a verse in 3 weeks  
It's muscle memory, riding a bicycle  
Stingy with money but none of this cheap  
Florida boy but I'm still rockin' these icicles

I don't like to lose I don't come in second place (Yeah)  
Different city swapping I hop out and never stay (Yeah)  
So much animosity I call it SMA (Yeah)  
Made some more today like I lost it yesterday

I need my R-E-S-P-E-C-T  
I'm too sick call the CDC  
Fuck boys gon' get DDT'd  
My chain too bright cause these VV's  
Started out on EBT  
How I end up on BET?  
Did this by my lone and I ain't to take no PPP  
(Yeah)  
Caramelizing  
Two caramel skin women on my dick and harmonizing  
Authentic, make a rapper go and sign to Drama cause they really dramatizing  
Growing up my life was traumatizing but I still wasn't into compromising  
Drop my body off at any city make it my city, call it colonizing  
This shit is undeniable  
I been a menace, I'm getting maniacal  
Dream about a million dollars and wake up and get it cause that shit is viable  
Permanent marker how I write my destiny homie it ain't revisable  
Cut the weakest links outta the circle I found out they ain't certifiable

Icy Titties, icing on my chains  
I be litty, IV in my veins  
A sight you'll never see is me complain  
You could emulate we ain't the same  
Call me Rich or call me by name  
Bought the Richard and I got it plain  
Never hate the player hate the game  
Only bitch I trust in Mary Jane

I don't like to lose I don't come in second place (Yeah)  
Different city swapping I hop out and never stay (Yeah)  
So much animosity I call it SMA (Yeah)  
Made some more today like I lost it yesterday
