

## When It Doesn't Work Out

Cass Elliot

Oh, I tried to stay away from you  
Isn't that what you wanted me to do?  
I would call the friends we knew to see how you were  
Then I found out about her

Yes, I heard about that stormy love affair  
When she didn't need you, you were there  
She laughed about your loyalty  
You took it to your heart  
Then like me, you fell apart  
Isn't love terrible when it doesn't work out?

Oh, I'm sad to see your troubled face  
Knowing that no one can take her place  
And you're still in love with her  
Well, I'm in love with you  
So I guess there's nothing we can do  
Isn't love terrible when it doesn't work out?

And you're still in love with her  
Well, I'm in love with you  
So I guess there's nothing we can do
