

# A Comedian is Someone Who Tells Jokes

Cass McCombs

I spend my days. shaking hands  
Forgetting names. recycling cans: a comedian  
There's trouble in our nation's capitol  
My blues are black, my belly's full  
A comedian is someone who tells jokes  
It's lunchtime fix a pal a drink  
It's nap-time paint the casket pink  
Gut thee from me all half-wit-dim-wit souls  
Happy Hanukkah. Ho-ho-ho  
A comedian is someone who tells jokes  
A comedian is someone who tells jokes  
It's lunchtime fix a pal a drink  
It's nap-time paint the casket pink  
I wrote a check to save a whale  
And like I said it's in the mail  
A comedian is someone who tells jokes
