Dealing
Dealing is better than kneeling
Dealing

Give it to me straight, I can deal
Funny how a game can get so real
Our cards we conceal

My hand was bad, I sent three back
Won't you cut me a little slack?
Jimmy Easley's dealing smack

The dealer deals, the house always wins
Who can absolve me of my sins?
Aces high, like Fairlane fins

I made a deal so I could walk
The price on my head I stuck in my sock
For Mephistopheles and Shylock

Our loved ones go
Where we don't know
A side I'm not afraid to show

Dealing is better than kneeling
