

## Hermit's Cave

Cass McCombs

In my twenty-seventh year I set out to confront my fears  
And found the role of a lifetime  
You see, two plus seven is nine  
And the ninth card in the Tarot  
Is that Hermit I came to know  
In London I did deprave  
As if beyond the grave  
From my Hermit's Cave

Over my shoulder to ... Source of Life  
Come as prisoner of love  
Hermit's Cave Hermit's Cave  
Source of Life Come as prisoner of  
love

I rarely ever went outside  
Excepting the daily stride I made  
me a weekly pot  
And read Bible quite a lot  
There, true loneliness  
I did learn  
Then I got a sick from Admiral Byrd  
My catharsis was  
crushed in a wave  
And my family I did crave  
Oh, wretched Hermit's Cave!!

Over my shoulder to... Source of Life  
Come as prisoner of love  
Hermit's Cave Hermit's Cave  
Source of Life Come as prisoner of  
love
