

## **Mariah (Sketch)**

**Cass McCombs**

Mariah is aware  
That most cabs won't do down there  
Brimming with desire  
Mariah

Eager, burning tears  
From thirty-thousand years  
Willing up insider her  
Mariah

Mariah  
Standing next to the fire  
Praying it never tires  
Oh, Mariah

Out of flame, into flight  
How I wish to reach that height!  
Sweet bird, take me higher  
Mariah
