Cass McCombs

My blood's the justice gingerly put  
With what this simple weather  
Beckoning my heartthrob  
For the Great Grey

Isolator, Isolator  
Widowmaker, Widowmaker

Oatmeal steaming, lung-oat weaving  
Meta coughing, virgin/meta oatmeal  
A blessing being the woodsy type  
A blessing being the woodsy type  
A blessing being the woodsy type

As pagans say  
Firecracker, Firecracker  
My lucky urn, My lucky urn
