

Tying up Loose Ends

Cass McCombs

Tying up loose ends
Before I gotta go

I found a box of old family photographs
Who are all these people?
I think this one's Aunt Dorothy
Is that her husband?
What was his name?
He was gone before my time
I think they lived back in Ohio somewhere
Is there anyone still left who can tell me
Who all these people are?

Tying up loose ends
Before I gotta go
