

Wasted Again

Cass McCombs

Well, well here I am in Poughkeepsie
Wasted again
If, if I don't die by tomorrow
I will have lied
Man, it's better you than me
I'm done with misery
Now I'm by myself

Go, go soak it up with the smart kids
Drink from their cup
Man, man I don't care
You can have her
If you so dare
Man, it's better you than me
I'm done with misery
Now I'm by myself

Man, it's better you than me
I'm done with misery
Now I'm by myself
Now I'm by myself
