I'm With You

Cassadee Pope

I'm standing on a bridge
I'm waiting in the dark
I thought that you'd be here by now
There's nothing but the rain
No footsteps on the ground
I'm listening but there's no sound

Isn't anyone tryin' to find me?
Won't somebody come take me home

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with youI'm with you

I'm looking for a place
I'm searching for a face
Is anybody here I know?
'Cause nothing's going right
And everything's a mess
And no one likes to be alone

Isn't anyone tryin' to find me?
Won't somebody come take me home

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you

Oh why is everything so confusing
Maybe I'm just out of my mind
Yeah-he-yaa, yeah-he-yah
Yeah-he-yah, yeah-he-yah, yeah

It's a damn cold night
Trying to figure out this life
Won't you take me by the hand
Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you

Take me somewhere new
I don't know who you are
But I, I'm with you
I'm with you

Take me somewhere new
I don't know who you are
But I, I'm with you

I'm with you
I'm with you
