

Some People

Cassadee Pope

I put in the effort
I gave you all my nights
Didn't know under your sweatshirt
Were more fingertips than mine

You said you learned your lesson
On the past hearts that you broke
I thought this time was different
But baby now I know

Some people change
Some people try
To give good love and keep it alive
Some people lie but one thing is true
Some people change, some people ain't you

Ain't you
Ain't you

You're like a broken record
Breaking hearts in every song
Never ending cycle I thought would end with me
Ain't it funny how a kiss can make you believe

Some people change
Some people try
To give good love and keep it alive
Some people lie but one thing is true
Some people change, some people ain't you

Ain't you
Ain't you

I believe in redemption
I thought you were worth it
But I can't keep giving chances
To someone who don't deserve it

Some people change
Some people try
To give good love and keep it alive
Some people lie but one thing is true
Some people change, some people ain't you

Ain't you
Ain't you

Some people lie but one thing is true
Some people change, some people ain't you
