

# Drumma Bass

Cassidy

You've got to dance people, Dance People, Dance uhh.

(The Hustler.

Larceny Family)

(get your jig on)

Drummma Drumma Drumma Drumaa Drumma Bassss  
Drumma Drumma Drumma Drumma Drumma Bass

Yeah Im right here with my hands in the air  
Doin my little dance. im the man up in here  
Im feeling good i got a lot of fans up in here  
my shoes see through like a kat scan up in here

yeah im gettin high puttin grams in the air  
got my eyes looking like im from japan up in here  
i brought a couple grand up in here  
and my ice shine so bright you might catch a tan up in here  
im an ape. and my man is a bear  
so i aint scared of none of yal standin in here  
mami i aint your man or that man in your ear  
but i want you to understand  
im the man up in here

Im back with the (drumma drumma drumma bass)  
snare and high hats  
yeah im back up in the place  
you can hate it so good in the hood im great  
i was never fake  
early like ive never been late  
im never sober. smoking marijuana to the face  
sippin some champagne you probly never get to taste  
cuz you cant afford it. if you order by the case  
for the watch i paid a quarter  
frozen water in the face

i know its a recession and a lot of people down  
but imma keep to pushin  
i aint got a bush to beat around  
im with some freak i found,  
dancin with my hands on her hips  
imma take her home and let her dance up on my dick

Listen Im on a mission to get richer and richer  
my life like a movie  
but you aint getin the picture  
gotta get the money  
then get what money will get ya  
cuz when you gone god aint lettin you bring it with ya  
i wish i could rewind time and be young again  
take it back to when cats was dancin havin fun again  
and get it jumpin like house party one again  
if u aint dancin U aint comin in.  
sorry
