Millions love 'er, wanna I get 'er all alone
But when they call her number they can't get 'er on the phone
Cuuuz she off the hook (she off the hook) she off the hook (she off the hook

She off the hook (she off the hook) she off the hook (she off the hook)

She got me messed up, baby tryna get in touch
But when they hit 'er up she ain't never pickin' up

Every time I dial your number I can't even get through to you
Bitch, what the fuck did I do to you?
I'm not the dudes that you used to screw
I could never get used to you
And you can do what you choose to do
But you get on my nerves, you's a bird - hocka doodle doo

A lot of weed and alcohol, I got the drugs then drop the all
I popped 'er off, took the condom off
She mop me up til my cock was soft
She saw me in the shoppin' mall
Like where you've been, I said knock it off
I hit you up but you ain't pick it up
Stop actin' like you never got the call
You off the hook, look why's you playin' 'round?
What? You tryna play me now? Why you actin' all crazy now?
Remember when I laid you down and you begged me to stay around?
Threaten is somethin' you can't do so why you actin' all brand new?

Telephone man, there's something wrong with my line
When I dial 'er number, I get the click every time
I would stop callin' but she Halle Berry fine
Bobby like a Kardashian. Why the hell she not answerin'?
I'm the man, word is bomb. What's going on? I don't understand
Every day I'm with another chick so I guess this chick wants some other man
Fuck it man, I need to put this phone down
Cause she off the hook, you hear that phone sound
That's why I'm callin' her phone now

Millions love 'er, wanna I get 'er all alone
