Cassidy

The hustla
Man, these niggas is sleepin' on me
Like I don't know what the fuck I'm capable of but I'm about to wake these n
iggas up

Like I don't know what the fuck I'm capable of but I'm about to wake these n
iggas up
Wake wake up! It's time it's time to grind
All you niggas that was sleepin' on me, rise and shine
Wake up wake up cause line for lines
I'm the best so if you sleepin' homie, rise and shine

Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me

Wake up! Wake up!
Check it. I feel disrespected
That's why I am talkin' reckless to all of you narcoleptics
Get cut quick, debug, 50 I eat your breakfast
But you respect it, you fake as the necklace on your neck is
You scared to death, you hit the neck, you're disconnected
Forget the paramedics, get the homicide detective
Cause I wish you was dead and you got a death wish
Breathe easy cause I could easily leave you breathless
I'm restless, I never sleep in the bed
You got plenty of time to sleep when you dead
If you keep sleepin' on me I'm a creep in your crib
Wake you to suffocate you with the sheets on yo bed
They was sleepin' on the kid 'til the song dropped
But they want me to walk when the song stopped, this song - an alarm clock
You bad baby, this song hot
And they ain't gonna stop til the fat lady sing the song up

Wake wake up! It's time it's time to grind
All you niggas that was sleepin' on me, rise and shine
Wake up wake up cause line for lines
I'm the best so if you sleepin' homie, rise and shine

Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up!

Let's hit it, I'm 'bout to go ballistic
And every cat ass in the business could get to business
I'm the hardest, I'm just getting started, you niggas finished
My flow so sick, I should take a trip to the clinic
You went on MTV cribs with a crib that's rented
You borrowin' the Bentley and you leasin' them Benzes
I spit the most punch lines, I should go in the Guinness
I'm in the kitchen whippin', coke flippin' like it's a gymnast
And all my jury is expensive
You would think you lookin' at my diamonds through some magnifying lenses
I'm a menace to society, Glock by the appendices

Swear if I get anywhere near you, I'm a end you
Tear you out the frame when I'm gangsta firin'
When a fire comin' out the iron, got me perspirin'
Look, if you put a pussycat in a lion den
It would get cute up, I'm 'bout to wake you dudes up

Wake wake up! It's time it's time to grind
All you niggas that was sleepin' on me, rise and shine
Wake up wake up cause line for lines
I'm the best so if you sleepin' homie, rise and shine

Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up! Wake up!

I think I had too much Henney to drink
Cause I'm startin' to feel higher if you start to feel tired
Then get a five out of energy drink cause I'm still fire, fuck what my enemi
es think
What your life like? Anything I write nights
You ready to go night night, infrared beam is your night light
I'm hustlin' to get my weight up again
I'm goin' in until I sleep and never wake up again

Wake wake up! It's time it's time to grind
All you niggas that was sleepin' on me, rise and shine
Wake up wake up cause line for lines
I'm the best so if you sleepin' homie, rise and shine

Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up! They sleep, they sleep, they sleepin' on me
This niggas is sleepin' on me, they'd better stop sleepin' on me
Wake up! Wake up!
