

Famous

Cassie Steele

I will be famous one day
The people screaming my name
I will be famous one day
Your gonna know my face
I'm gonna rock your world
And you won't think about her

Hot, so hot
Yeah I'm hot, so hot

Scream for me, scream for me
Scream for me, dream of me
Scream for me, scream for me
Scream, scream, and scream whoa

I'm gonna be a star
My voice will leave a scar
I'm gonna be a star
Fulfill you lonely heart

Hot, so hot
Yeah I'm hot, so hot

Scream for me, scream for me
Scream for me, dream of me
Scream for me, scream for me
Scream, scream, scream whoa
