

# Hungover

Cassie

Like you were a bottle  
I took you straight to the head  
Even after warning  
I still went through with it

I'm only guilty of loving too hard  
Lacking on my guard  
Thinking it's just a scar  
Not knowing though it must've broken when I fell hard  
For you, now I'm

Hungover off your words baby  
Hungover off your words  
Playing them over, makes my head hurt  
I've had too much of you for one night  
This feeling's for the birds  
I'm hungover off your words  
I'm hungover off your words  
I was hype in the beginning  
Too much of you can ruin the ending  
Now I'm hungover

And I'm just trying to get out of my own head  
Can't leave you alone, I just can't help it  
All in good fun, I say toast  
Then forget how I feel the most  
Your words get me buzzed  
Your words make me believe you're really at where you say you was  
Damn those words  
'Cause they might not be true  
But something 'bout hearing them from you

Get me to loving too hard  
Lacking on my guard  
Thinking it's just a scar  
Not knowing though it must've broken when I fell hard  
For you, now I'm

Hungover off your words baby  
Hungover off your words  
Playing them over, makes my head hurt  
I've had too much of you for one night  
This feeling's for the birds  
I'm hungover off your words  
I'm hungover off your words  
I was hype in the beginning  
Too much of you can ruin the ending  
Now I'm hungover

(I'm just trying to get out of my own head)  
Now I'm hungover  
(Can't leave you alone, I just can't help it)  
(Now I'm hungover)
