Make up  
(Yeah)  
Make up  
(Yeah)  
Make up

Tryna make up for the night (Night, night)  
Tryna make up where I been (Been, been, ohh)  
I wanna make up for the night (Night, night)  
I'm tryna make up what this is (Ohh)

Got a bunch of colors 'cause you know that I color the truth (I color the truth)

I got many color, every color to cater to you (Cater to you)  
I be choppin' choppin' choppin' choppin' like fye  
I be choppin' that shade to shade 'til you desire  
You said go back and get it right  
Yet there's no going back in time  
Truth is you can't make up your mind  
Can't decide what you hate, what you like

I keep faces for the make up, make up  
Faces for the make up, make up  
I keep faces for the make up, make up  
Faces for the make up, make up

Tryna make up for the night (Night, night)  
Tryna make up where I been (Been, been)  
I wanna make up for the night (Night, night)  
I'm tryna make up what this is (Is, is)  
Tryna make up for the night (Night, night)  
Tryna make up where I been (Been, been)  
I wanna make up for the night (Night, night)  
I'm tryna make up what this is (Is, is)

All these faces that you're facing, they're just better for you (Better for you)

From the faces that you're making you can't handle the truth (Handle the truth)

When I strip it, strip it down, I strip it down in the nude (Down in the nude)

On my stripper shit, you trippin', I can strip down the room (Strip down the room)

You said go back and get it right (Right)

Yet there's no going back in time (Back in time)

Truth is you can't make up your mind (Your mind)

Can't decide what you hate, what you like

I keep faces for the make up, make up  
Faces for the make up, make up  
I keep faces for the make up, make up  
Faces for the make up, make up

Tryna make up for the night  
Tryna make up where I been (I been)  
I wanna make up for the night (For)  
I'm tryna make up what this is (What, what this is)

Tryna make up for the night (Night)  
Tryna make up where I been (Make up where I been, I been)  
I wanna make up for the night (Night)  
I'm tryna make up what this is (Make up what it is)

Make up on my face  
Wipe, wipe, wipe me down  
Wash it all away  
Lipstick, eyes, and brows  
Is that what you want? Is that what you want?  
Everything gone, everything gone  
Ma-make up on my face  
Wipe, wipe, wipe me down  
Wash it all away  
Lipstick, eyes, and brows  
Is that what you like? Is that what you like?  
Is that what you like?

(I'm tryna make up for) Tryna make up for the night  
(I'm tryna make up where) Tryna make up where I been (I been)  
I wanna make up for the night (For the night)  
I'm tryna make up what this is (What this is)  
Tryna make up for the night (Night)  
Tryna make up where I been (I been)  
I wanna make up for the night (Night)  
I'm tryna make up what this is (Is)

Make up, make up  
Make up, make up  
  
1, 2, 3 dat make up  
All in my make up (Yeah)  
All in my make up (Yeah)  
All in, all in (yeah) all in my make up  
1, 2, 3 dat make up  
All in my make up (Yeah)  
All in my make up (Yeah)  
All in, all in (yeah) all in my make up  
1, 2, 3 dat make up (Yeah)  
All in my make up (All)  
All in my make up (In my makeup)  
All in, all in, all in my make up (Yeah)  
1, 2, 3 dat make up  
All in my make up (Yeah)
