Not With You

I'd give anything, go anywhere When it comes to your love But the question that's burnin' in my heart Is whether it's strong enough?

If you want me to stay There's something we gotta do I need to see years of us I've got to trust if I'm not with you, heh

Ain't nowhere I belong, if I'm not with you Ain't no place I call home, if I'm not with you Constantly on the phone, if I'm not with you If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you All of these questions, 'cause if I'm not with you I hope you're expectin' this, if I'm not with you If I'm not with you, baby

And I love it when it's just The two of us layin' around And I can't help, I want you to myself The feelin's getting stronger now

So I hope you feel The way I feel, I feel I need to see years of us I've got to trust, If I'm not with you

Ain't nowhere I belong, if I'm not with you Ain't no place I call home, if I'm not with you Constantly on the phone, if I'm not with you If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you All of these questions, 'cause if I'm not with you I hope you're expectin' this, if I'm not with you If I'm not with you, baby

I hope you're not disrespectin' me I'm hopin', I'm everything you need And that all you wish for You'll find in me

It's the way that you show Show you care, show that you love When you're not with me Ain't nowhere that I belong

Ain't nowhere I belong, if I'm not with you Ain't no place I call home, if I'm not with you Constantly on the phone, if I'm not with you If I'm not with you, if I'm not with you

Don't know if I can trust, if I'm not with with you All of these questions, 'cause if I'm not with you
