

# Numb

Cassie

I make music to numb your brain... (2x)  
Ride the wave...

New young ruler of the beat and the vox  
Breezy tonic, fresh like rain  
My beat mans cruel, he's the freakiest box banger  
Fox hanging on my coat, rocks hanging on my chain  
And that's how you know I've been hunting the game...  
Bang bang and I hit it with impeccable aim  
Bang bang and I blow it up, they don't know wassup  
If they think for a second that I do it for the fame  
'Cuz I make music to numb your bain

I make music to numb your brain... (3x)

Bottle after bottle, I am balling like Robert Griffin  
Never made love I had her coming from a distance  
Said I was a mason, Martin Margiela  
Triple Beam, hustling, that's full of cheddar  
Yellow brick road, was told it's just a cakewalk  
Now it's Philip Lim on them, no more Eight Balls  
Uncut, my love that's all thug  
Call them different names in the middle of the club  
Went on world tours, paid in all cash  
Top floor views, my wall is all glass  
All paid dues but normally fall fast  
Same bitch you shittin' on the only thing that I [?]  
I am trying to see 100 of 'em  
Kobe Bryant money, nigga you ain't gotta love him  
Swish, new rims on the six  
Tell me that you numb if you not feeling this

Rick!

When I make the wave, you ride it  
(Ride the wave, ride the wave)

If you insane and it's late in the night  
You can smoke one, pop one, close your eyes  
You can say this in your mind  
And I say it all the time  
I'm the same, insane  
It's a damn good time  
It's a damn good time  
I'm just saying it's a damn good time  
In-vi-gorating, impact ya like ice  
Beat, pulsating, your heart skips twice  
On the bass drum, and them pumps so nice  
Heart skips twice, and them pumps so nice  
On the bass drum, pumps so nice  
Heart skip, ride the wave

I make music to numb your brain... (4x)

It's a damn good time, I'm just saying it's a damn good time...

When I make the wave (ride the wave) (2x)

I make music to numb your brain...
