

Teach Me

Cassie

Just talk to me, tell me, what's the deal?
Please look at me, it's fine keep it real
Know it ain't easy to always be we
But can you really say we ain't worth fighting for

I stay thinking 'bout you
I stay dreaming 'bout you
Don't run away, please don't let me go
'Cause I'm ready for you

Teach me how to love
Because I wanna learn
How not to hurt
To be better for us
Teach me how to love
We've come this far
Knew it'd be hard
But I see the light, see the light
Babe (ooh-ooh) Yeah
(Ooh-ooh-ooh-ooh-ooh)
Teach me how to love
(Ooh-ooh) Oh
(Ooh-ooh-ooh-ooh-ooh)
Teach me how to love

Just try to see where I'm coming from
My history got me all messed up
Know it ain't easy to always be we
But we got something that I wanna believe in, yeah

I stay thinking 'bout you
I stay dreaming 'bout you
Don't run away, please don't let me go
'Cause I'm ready for you

Teach me how to love
Because I wanna learn
How not to hurt
To be better for us
Teach me how to love
We've come this far
Knew it'd be hard
But I see the light, see the light
Babe (ooh-ooh) Yeah
(Ooh-ooh-ooh-ooh-ooh)
Teach me how to love
(Ooh-ooh) Oh
(Ooh-ooh-ooh-ooh-ooh)
Teach me how to love

Ooh
Teach me how to love
Ooh

Teach me how to love
Because I wanna learn
How not to hurt

To be better for us
Teach me how to love
We've come this far
Knew it'd be hard
But I see the light, see the light
Babe (ooh-ooh) Yeah
(Ooh-ooh-ooh-ooh-ooh)
Teach me how to love
(Ooh-ooh) Oh
(Ooh-ooh-ooh-ooh-ooh)
Teach me how to love
