

Thirsty

Cassie

Yeah...

Yeah...

Yeah...

Yeah...

T-H-I-R-S-T-Y

T-H-I-R-S-T-Y

T-H-I-R-S-T-Y

Thirsty, ah

Thirsty, ah

Picture this while you drive
On the late night, over here
You're in the desert, tryin to survive
But it's hot out there
All alone, by yourself
Wondering each mile when will it be over
Run out of breath and you need my help
(Now you say that you're thirsty)

You're thirsty, so thirsty
It's not my fault
You had a glass waiting for you but you ain't come
That's how you feel, what you want
Then you shouldn't try to front
Kept it real, told me that
Now you're trying to get me back, oh

T-H-I-R-S-T-Y
You're so thirsty, you're so thirsty, oh
T-H-I-R-S-T-Y
Come and get me, come and get me

Let it drip down your mouth
I'ma tease you, show you what you've been missing
Make it a night
I'll let you get another sip
Appreciate what you get
Cause for someone who act like he ain't want it
No, I ain't forget
You're beggin me to give you this
(Now you say that you're thirsty)

You're thirsty, so thirsty
It's not my fault
You had a glass waiting for you but you ain't come
That's how you feel, what you want
Then you shouldn't try to front
Kept it real, told me that
Now you're trying to get me back, oh

Ooo I've got you dreamin'
Wishin' you was in my deep end
Here we could be fully submerged
Mmm, I think about it

I doubt it, should make you live without it
And keep you dying of thirst
I'm just playing with you

You're thirsty, so thirsty
It's not my fault
You had a glass waiting for you but you ain't come
That's how you feel, what you want
Then you shouldn't try to front
Kept it real, told me that
Now you're trying to get me back, oh

T-H-I-R-S-T-Y
You're so thirsty, you're so thirsty, oh
T-H-I-R-S-T-Y
Come and get me, come and get me
