

# The Sound Of Violence

Cassius

Feel like a want to be inside of you  
When the sun goes down  
Oh my heart  
Takin' me back to blue  
I've fallen into my own senses

Another night , another day  
It's better this way  
Let the music play

Oh my heart  
Only you can know how I feel  
Every day is an ordeal to get by

Melancholy  
Ever so  
Broken skin  
Mercury rising

Oh my heart  
There's movement across the tracks  
Hoping to played it back , all right  
Lucky me lucky you  
They're givin' us , a two minute warning

Oh my heart  
Changing the way I kill  
By changing the way I feel  
Step forward

Everybody, around the world understands  
What makes a child of man (yes come)

Feel like I want to be you more than I  
Get around come around  
See you every night hear the crowd the sound of violence  
Shake it out

Ready now  
Going to let it all out  
Ready now  
When the sun goes down  
We'll be coming out ready or not

Feel like a want to be inside of you  
When the sun goes down  
As long as I'm gonna be around you  
When the sun goes down
