The Sound Of Violence

Feel like a want to be inside of you When the sun goes down Oh my heart Takin' me back to blue I've fallen into my own senses

Another night , another day It's better this way Let the music play

Oh my heart Only you can know how I feel Every day is an ordeal to get by

Melancholy Ever so Broken skin Mercury rising

Oh my heart There's movement across the tracks Hoping to played it back , all right Lucky me lucky you They're givin' us , a two minute warning

Oh my heart Changing the way I kill By changing the way I feel Step forward

Everybody, around the world understands What makes a child of man (yes come)

Feel like I want to be you more than I Get around come around See you every night hear the crowd the sound of violence Shake it out

Ready now Going to let it all out Ready now When the sun goes down We'll be coming out ready or not

Feel like a want to be inside of you When the sun goes down As long as I'm gonna be around you When the sun goes down Cassius
