

Say My Name

Cassyyette

Say my name
I'm hanging off the ceiling
Won't you break my state
Of mind? I need relieving

I know that it's been so long
But I feel different in my skin
When we get a little wrong
All I want is to give in

I've been tryna fight it
But I want you with a chaser
I guess I kinda like it
You are my debaser
(Do it, do it, do it)
Do it like you mean it

Say my name
I'm hanging off the ceiling
Won't you break my state
Of mind? I need relieving
When I am black and blue inside
You make me forget who I am
Say my name
I think I need reminding

I'm falling for every line
I could shatter on your lips
We commit the perfect crime
When I'm bound around your hips

I've been tryna fight it
But I want you with a chaser
I guess I kinda like it
You are my debaser
You are my debaser
(Do it, do it, do it)
Do it like you mean it

Say my name
I'm hanging off the ceiling
Won't you break my state
Of mind? I need relieving
When I am black and blue inside
You make me forget who I am
Say my name
I think I need reminding

Your holy water
Fills my blood
Sinking deeper
Into the mud
Say my name
Say my name

Say my name (My name)
I'm hanging off the ceiling

Won't you break my state
Of mind? I need relieving
When I am black and blue inside
You make me forget who I am
Say my name
I think I need reminding
