

Suck It

Cassyyette

S-U-cock, Suck it, S-U-cock, Suck it
S-U-cock, Suck it, S-U-cock, Suck it
S-U-cock, Suck it, S-U-cock, Suck it
S-U-cock, Suck it, S-U-cock, Suck it, oah!

We got the red wine pouring, overflowing my blood
My body's built for you so won't you butter me up?
You can get closer if you can fill up my cup
But I'm a spoon for you, you can eat me up
Eat me up, eat me up

Whoah!
Your kiss it tastes so sweet
S-U-G-A-R, baby!
Bite down and swallow me up
Your love, it makes me sick
S-U-cock, suck it!

The night's still young, but we never sleep
I feel so strong, but become so weak
Set my body on fire with a single touch
I'm a cold heart bitch, so won't you heat me up?
Heat me up, heat me up

Whoah!
Your kiss it tastes so sweet
S-U-G-A-R, baby!
Bite down and swallow me up
Your love, it makes me sick
S-U-cock, suck it!

You know I been hungry for you
(S-U-cock, suck it, S-U-cock, suck it)
No one makes me feel like you do
(S-U-cock, suck it, S-U-cock, suck it)
You know I been hungry for you
(S-U-cock, suck it, S-U-cock, suck it)
No one makes me feel like you do
(S-U-cock, suck it, S-U-cock, suck it)

Whoah!
Your kiss it tastes so sweet
S-U-G-A-R, baby!
Bite down and swallow me up
Your love, it makes me sick
S-U-cock, suck it, oah!
Whoah!
Your kiss it tastes so sweet
S-U-G-A-R, baby!
Bite down and swallow me up
Your love, it makes me sick
S-U-cock, suck it!
