

Why Am I Like This?

Cassette

I could be high as the moon
Summer in bloom
But I'll find a way to come back down too soon
Then I'll be green the monster in me
Will make me sicker, sicker than the sea

It's so bad I'm blue all the time
I, I feel like taking a dive

Think I'm going down down down
Down down down down down
Guess I'm going down down
Down down down down down down down

Why am I like this?
Why am I like this?

I feel like a lead balloon
Might pull out a tooth
Just so that I can feel slightly amused
Red in the face, heart starts to race
Whatever I'm smoking is secretly laced

It's so sad, I'm blue as the sky
I, I think I'm outta my mind

Think I'm going down down
Down down down down down down
Guess I'm going down down
Down down down down down down down

Why am I like this?
Why am I like this?

Ohhhhh ohhhhh
Ohhhhh
Why am I like this?
