Just Be Held

Casting Crowns

Hold it all together Everybody needs you strong But life hits you out of nowhere And barely leaves you holding on

And when you're tired of fighting Chained by your control There's freedom in surrender Lay it down and let it go

So when you're on your knees and answers seem so far away You're not alone, stop holding on and just be held Your worlds not falling apart, its falling into place I'm on the throne, stop holding on and just be held Just be held, just be held

If your eyes are on the storm You'll wonder if I love you still But if your eyes are on the cross You'll know I always have and I always will

And not a tear is wasted In time, you'll understand I'm painting beauty with the ashes Your life is in My hands

Lift your hands, lift your eyes In the storm is where you'll find Me And where you are, I'll hold your heart I'll hold your heart Come to Me, find your rest In the arms of the God who wont let go
