

# One Step Away

Casting Crowns

What if you could go back and relive one day of your life all over again  
And unmake the mistake that left you a million miles away  
From the you, you once knew  
Now yesterday's shame keeps saying that you'll never get back on track  
But what if I told you...

You're one step away from surrender  
One step away from coming home, coming home  
One step from arms wide open  
His love has never let you go  
You're not alone  
You're one step away

It doesn't matter how far you've gone  
Mercy says you don't have to keep running down the road you're on  
Love's never met a lost cause  
Your shame, lay it down  
Leave your ghosts in the past 'cause you know that you can't go back  
But you can turn around  
You've never been more than...

One step away from surrender  
One step away from coming home, coming home  
One step from arms wide open  
His love has never let you go  
You're not alone (not alone)  
You're one step away  
One step away

Lay down, lay down your old chains  
Come now, and take up your new name  
Your best life up ahead now  
You're one step away  
[x3]

So come on home, come on home  
One step from arms wide open  
His love has never let you go  
You're not alone (you're not alone)  
You're one step away

Lay down, lay down your old chains  
Take up, take up your new name  
[x2]

Lay down, lay down your old chains  
Come now, take up your new name  
Your best life up ahead now  
One step away

Lay down, lay down your old chains  
Come now, and take up your new name  
Your best life up ahead now  
You're just one step away
