

Song That the Angels Can't Sing

Casting Crowns

I have a song that the angels can't sing
You saved my weary soul from all my sin and pain and suffering
A song of the redeemed
I once was lost but You found me
Oh, I have a song that the angels can't sing

I have a song that the angels can't sing
You stepped out of Your throne all wrapped in flesh
You made Yourself like me
A song of righteousness I couldn't reach 'til You reached me
Oh, I have a song that the angels can't sing

Oh, glory hallelujah to the Lamb that was slain
I cannot hold it in
You've given me a brand new name
A song of my deliverance
You've broken all my chains and I am free
Oh, I have a song the angels can't sing

I have a song that the angels can't sing
I was sentenced to a life in chains
No hope for being free
You opened up the door and said, "Come on and follow Me"
Now I have a song that the angels can't sing

I have a song that the angels can't sing
It goes, "Amazing Grace, how sweet the sound
That saved a wretch like me
I once was lost but now I'm found
Was blind but now I see"
Now I have a song that the angels can't sing
Oh, I have a song that the angels can't sing
Now I have a song that the angels can't sing

Oh, I have a song the angels can't sing
Oh, I have a song the angels can't sing
