

# alone

Cat Burns

Coffee trips alone  
Dinner booked for one  
I've never even been on a date  
I find it hard to open up

Don't wanna be a pessimist  
But I'm getting kind of pissed at this  
All my friends are saying my time will come  
But the years are going by  
I'm not long off 25  
My fear is growing stronger  
Now I'm getting older

Don't wanna be alone  
Forever  
Don't wanna be alone  
Forever

Working on myself  
Wouldn't it be good if I had someone to tell  
I wanna need you 'cause I love you  
Not love you 'cause I need you  
And I don't want just anybody off the shelf

So I'll be here waiting  
Just patiently waiting  
But something in the back of my mind keeps saying

Don't wanna be alone  
Forever  
Don't wanna be alone  
Forever  
Don't wanna be alone  
Forever  
Don't wanna be alone  
Forever  
Don't wanna be alone

I know that I'll be fine  
But is there more to life  
If I'm sharing it with someone  
It gets kinda lonely at times  
Is there more to life  
If I'm sharing it with someone  
I know that I'll be fine  
But is there more to life  
If I'm sharing it with someone  
It gets kinda lonely at times  
Is there more to life  
If I'm sharing it with someone

Don't wanna be alone  
Forever  
Don't wanna be alone  
Forever  
Don't wanna be alone  
(Don't wanna be, don't wanna be, don't wanna be alone)

Forever  
Don't wanna be alone  
(Don't wanna be, don't wanna be, don't wanna be alone)  
Forever  
Don't wanna be alone
