I don't wanna be a home wrecker but, I'll tell if I have to
Why do you talk to me when you've got a girl who loves you
At home
At home
At home
At home
I don't wanna have to be that girl but, I'll do what I need to do
Cause she doesn't deserve all the - you put her through
At home

That's why you always lock your phone
So she could never know
All the dirty - you get up to when you are all alone
If you've got nothing to hide then everything should be alright
Everything should be alright

Tell me why
Your wandering eye
Is looking at me all of the time
Boy you should know I ain't no side
One day your girl
She'll realise
The truth will come to light
She'll leave I'll tell you why
Cause you're a

Let's take a look at your DM's shall we?
I bet your girl, yeah, she'd be shocked
If she was to see

When it's 4 a.m
You tell her it's your friend but
I won't pretend

So she could never know
