Cat Burns

Ooh, ooh
Ooh, ooh-ooh

Tried callin' yesterday but got your voicemail again
Rushed over to your Uni hall, saw her leaving your place
You said you fucked up on a night out
You drank way too much, you're feeling bad now
You're tryna figure how to worm your way out

Well, look at what you've done
You said you'd never do
You've fucked it for yourself
This is the end of me and you

So don't call this number anymore
'Cause I won't be there for you like I was before
I should have listened to my friends
They always know best
They said you were just like all the rest, so
I'll sing it loud in case you don't already know
Pack up your shit and go, go, go, go
Go, go, go, go
Pack up your shit and go, go, go, go
Go, go, go, go (Ah-ah)

I swear it was a one-time thing
But my timing's got you givin' up everything we have
If I could take it back, I would
I'll try to love you harder
Pick up the pieces of your heart
I scowl up on your apartment
And I'm so sorry

Look at what I've done
I said I'd never do
I fucked it for myself
This is the end of me and you

So don't call this number anymore (Oh)
'Cause I won't be there for you like I was before (I wanna be there, you were)
I should have listened to my friends
They always know best
They said you were just like all the rest, so (They said, they said)
I'll sing it loud in case you don't already know (I already know)
Pack up your shit and go, go, go, go
Go, go, go, go
Pack up your shit and go, go, go, go (Go)
Go, go, go, go

I can't trust you anymore
Look what I've done
I've turned your heart cold
And I don't know if I can love again
And I know for sure I can't make a mess
This is the end

So don't call this number anymore
'Cause I won't be there for you like I was before
I should have listened to my friends
They always know best
They said you were just like all the rest, so
I'll sing it loud in case you don't already know (Ooh, woah)
Pack up your shit and go, go, go, go (Oh)
Go, go, go, go (Oh)
Go, go, go, go
Go, go, go, go (I should have listened to my friends)
Go, go, go, go (They were right, I was blind)
(They always know best)
Go, go, go, go (If I could go back in time, oh)

I'll sing it loud in case you don't already know
Pack up your shit and go
